O. D. O. Buttermilk Baby Chick Starter

Protein 13.4%. Fat 5.4%. Fibre 2.2%.

Buttermilk, Corn Meal, Oatmeal, Feeding Flour, Cooked Wheat, Bone Meal, Meat Meal, Epsom Salts, and other medicines.

O. D. O. has been growing healthy, vigorous chicks for New Jersey poultrymen for the last fifteen years. It is known, and has been used by thousands of farmers with excellent results.

As a dealer you will find O. D. O. has a ready sale, and will show you a good margin of profit. The price is substantially lower than competing starters.

Put up in 100-lb. cotton bags, also smaller paper packages, attractively printed. Dealer prices, f. o. b. cars Camden. Ton lots, cwt., \$3.30. One-half tons, cwt., \$3.40. Less, cwt., \$3.50. 50-lb. paper, cwt., \$3.60. 25-lb. paper, cwt., \$3.70. 10-lb. paper, cwt., \$3.80. 5-lb. paper, cwt., \$3.95. Write for carload quotation.

Taylor-Manamar Chick Starter

Protein 18%. Fat 4%. Fibre 4%.

MANAMAR

Ingredients: Corn Meal, Bran, Red Dog Middlings, Feeding Oatmeal, Alfalfa Leaf Meal, Buttermilk, Meat Meal, MANAMAR.

Manamar, the new protein mineral supplement, makes chicks vigorous, hard-bodied and healthy. Chicks grown on a Manamar ration develop into pullets that are full of vitality, and that are able to stand the strain of heavy production without prolapsis. Manamar fed flocks are less subject to the diseases that ordinarily attack chickens.

You will have inquiries about feeds mixed with Manamar. Be sure to lay in a generous stock of Taylor-Manamar Starter and Growing Mash.

Dealers' prices: Ton lots, \$3.20 cwt. One-half ton lots, \$3.30 cwt. Less quantity, \$3.40 cwt. 100-lb. branded cotton bags.

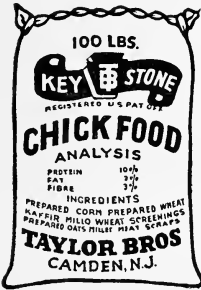

TAYLOR BROTHERS WHOLESALE PRICE LIST

Keystone Growing Mash (Buttermilk)

Prepared Oats, Bran, Alfalfa Leaf Meal, Middlings, Gluten Meal, Linseed Meal, Buttermilk, Meat, Fish, Corn Meal, Bone Meal. Protein 18%, Fat 4%, Fibre 5%.

Keystone Developing (Intermediate)

Medium Cracked Corn, Milo, Kaffir, Millet, Wheat.

Keystone Scratch Food No Grit

Cracked Corn, Barley, Milo, Kaffir, Buckwheat, Sunflower, Cracked Peas.

Keystone Chick No Grit

Cracked Wheat, Kaffir, Milo, Cracked Corn, Pin Head Oats, Millet, Meat.

Keystone Laying Mash 20% Protein

Ingredients: Corn Meal, White Middlings, Leaf Alfalfa Meal, Ground Oats, Buttermilk, Meat Meal, Fish Meal, Gluten Meal, Linseed Meal, Bran, Salt 1%.

(With Poultry Regular if desired.)

Keystone Laying Mash is the old reliable. On the market for fifty years. Two generations of poultrymen have used this feed with success, and are continuing to use it.

Keystone Pigeon No Grit

Corn Millet, Kaffir, Milo, Wheat, Peas, Buckwheat, Hemp, Rice, Vetch.

Protein 11.3%, Fat 3.8%, Fiber 3.4%.

Ace Pigeon Food (Without Corn)

Contains only Kaffir, Milo, Peas, Wheat, Hemp, Buckwheat.

Dandy Pigeon Food

Contains only Corn, Wheat, Peas, Kaffir, Milo, Hemp.

O. K. Pigeon Food

Contains only Corn, Wheat, Green Peas, Kaffir, Milo, Hemp.

Analysis: Protein 11%, Fat 5%, Fibre 5%.

Dandy Scratch Food No Grit

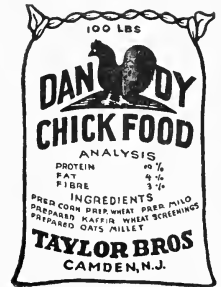

Cracked Corn, Barley, Kaffir, Milo, Sunflower, Buckwheat.

Protein 10%, Fat 3.4%, Fibre 2.4%.

Dandy Chick Food No Grit

Cracked Wheat, Pin-head Oats, Cracked Corn, Kaffir, Milo, Millet.

Protein 10%, Fat 4%, Fibre 3%.

Taylor-Manamar Growing Mash

Protein 17%, Fat 4%, Fibre 6%

Ingredients: Corn Meal, Bran, Fancy Middlings, Feeding Oat Meal, Alfalfa Leaf Meal, Meat Meal, Manamar.

Keystone Growing Mash

Both of these growing mashes are low in protein and will grow firm-bodied, healthy pullets. They will make you satisfied customers.

Taylor-Manamar Laying Mash

Protein 18%, Fat 4%, Fibre 5%

Ingredients: Corn Meal, White Middlings, Feeding Oat Meal, Bran, Alfalfa Leaf Meal, Meat Meal, Buttermilk, Manamar.

This laying mash gives laying birds that added pep and vigor that enables them to produce heavily without heavy mortality. Poultrymen who use Manamar mashes are making money and paying their bills.

Dandy Laying Mash 18% Protein

Corn Meal, Meat, Fish, Milk, Bran, Middlings, Gluten, Ground Oats.

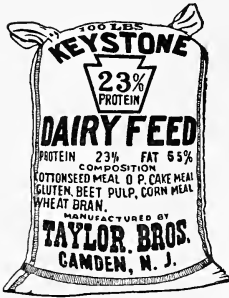

Protein 18%, Fat 5%, Fiber 5.6%.

B-K POULTRY DISINFECTANT

B-K

Concentrated Sodium Hypochlorite

A powerful disinfectant, concentrated sodium hypochlorite. B-K is non-poisonous, clean and clear—contains no acids nor oils. It is safe to use. B-K destroys disease germs by chemical action immediately on contact. Add diluted B-K to drinking water to prevent contagious disease. Charts showing proper dilution are included in all packages.

---------------------	---------

FEEDER

The ideal Feeder for shell, grit and charcoal. Very convenient and serviceable.

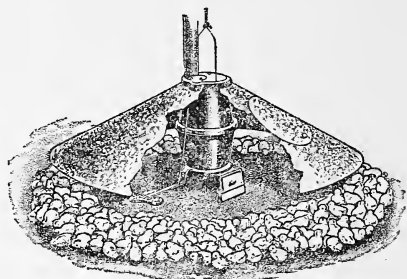

No. 310 Grit and Shell Feeder, dozen	\$6.40
-----------------------------------------------	--------

Buckeye Coal-Burning Brooders

SAVE EVERY SALABLE CHICK

Buckeye Coal-Burning Brooders stop chick losses. Thirty-five years of brooder-building experience are back of them and they combine every advantage vital to brooder efficiency. Burns either hard or soft coal satisfactorily. Have larger coal capacity—burns longer with less frequent coaling. Larger grate provides a bigger fire body and produces more heat. Double automatic regulator accurately controls temperature day and night. Stove is of heavy cast iron, equipped with rocker grate.

Painted gray and trimmed with red, the Buckeye Coal-Burning Brooder is more attractive than ever. Has a revolving hover which eliminates canopy bail, rope and pulleys and permits easy access to brooder. Note the new large size added this season and the new low prices. Compare the following specifications with other coal-burning brooders of the same chick capacity.

Capacity	Diam. of Canopy	Coal Capacity	Smoke Pipe	Shipping Weight	Wholesale Price	Retail Price
No. 117— 350 chicks.....	42 in.	25 lbs.	4 in.	75 lbs.	\$10.50	\$15.00

No. 104—1250 chicks	62 in.	124 lbs.	23.10	33.00

Buckeye Blue Flame Colony Brooders

AN OIL-BURNING BROODER OF MARVELOUS EFFICIENCY

The chick-saving ability of this Brooder has already been demonstrated in the hands of thousands of users. Is easy to operate—controlled as easily as your kitchen oil stove. Burner is self-feeding, self-regulating and positive—won't clog, won't flare up and won't go out. No “oil-leveling” mechanism—simple, powerful burner. Simply light the burner, turn the heat control up or down. Equipped with galvanized hover with patented “Diafram” Heat Conveyor, insuring perfect radiation of heat to all chicks. Carries the same guarantee as all other Buckeye Brooders.

and parts

We can fill your orders
Write for Catalog promptly

**BROWN'S AUTO
SPRAY No. 9**

A durable, well-built 4-gallon machine made with brass or galvanized corrugated reservoir. Pump is of one-piece brass tubing with all-metal check valve. The screw lock, corrugated tank and drain-dry features of this sprayer made it one of the best sellers. Tested to 90 lbs. pressure.

DEALER'S PRICE

Auto-Spray No. 9B, ea. \$7.87
Auto-Spray No. 9D, ea. 5.10

**BROWN'S AUTO
SPRAY No. 50**

This sprayer is of the same construction as the No. 9, but has a plain tank and is a smaller capacity machine. The tank is made of heavy sheet brass or strong galvanized steel sheet. Pump is of one-piece brass tubing with all-metal check valve. Capacity $2\frac{1}{2}$ gallons. Tested to 60 lbs.

DEALER'S PRICE

Auto-Spray No. 50B, ea. \$6.75
Auto-Spray No. 50D, ea. 4.45

BROWN'S AUTO SPRAY No. 26

The No. 26 is made in four different styles—26A has lithographed tin cylinder and tin container—26B has tin cylinder and brass container—26C is entirely of brass—26AG has tin cylinder and glass container. We highly recommend the No. 26AG as the best seller of all continuous atomizers.

It Sprays Continuously

BROWN'S AUTO SPRAY No. 6

The most powerful bucket pump made. It easily generates over 200 pounds pressure and sprays on both the up and down strokes. The pump is all brass with malleable iron foot-rest and handle. Will not rust or corrode.

DEALER'S PRICES

Auto-Spray No. 6, each..... \$3.50

BROWN'S TWIN BLAST

The Twin Blast is one of the most powerful single action Atomizers made. The cylinder is of heavy lithographed tin and all parts which come in contact with the liquid are of brass. The two syphon tubes diffuse an enormous volume of spray. Is equipped with glass container. One quart capacity.

DEALER'S PRICE

Brown's Twin Blast, dozen..... \$6.00

BROWN'S BRONCO SPRAYER

The Bronco is a very good general purpose Sprayer. The tank is of good grade galvanized steel sheet, pump is of one-piece brass shell. This sprayer is adapted for handling insecticides, disinfectants, cold water paints, white-wash, etc. Capacity $3\frac{3}{4}$ gallons. Tested up to 60 lbs. pressure.

DEALER'S PRICES

Brown's Bronco, each..... \$3.15

BROWN'S AUTO SPRAY No. 30D

This is an excellent general purpose Sprayer. The 12-gallon tank is made of heavy galvanized steel sheet. The pump is of brass. Capable of handling all disinfectants, insecticides, cold water paints, etc.

DEALER'S PRICE

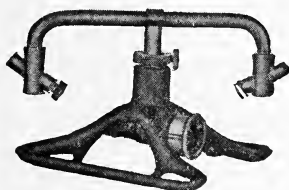

Auto-Spray No. 30D, each.....\$11.40

BROWN'S AUTO SPRAY No. 7

This pump can be used as bucket or barrel pump. All working parts are of brass and will not rust or corrode. Top casting, handle and foot rest are of malleable iron and will not easily break. It equipped with air jet agitator which keeps solution thoroughly mixed.

DEALER'S PRICE

Auto-Spray No. 7, each.....\$5.20

ACME INSECT BELLOWS

Per dozen\$13.50
Less than dozen..... 13.65

BROWN'S AUTO SPRAY No. 23C

An excellent all-brass continuous Atomizer—a good seller. All parts are easily accessible for cleaning. It is equipped with straight and angle nozzles, and is especially adapted for handling insecticides, floor oils and fly sprays. Capacity three quarts.

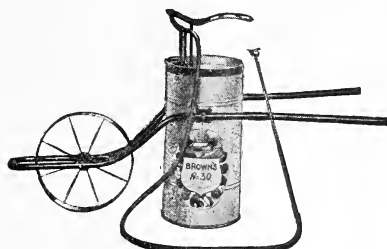

DEALER'S PRICE

Auto-Spray No. 23C, dozen.....\$27.30

TIN SPRAYERS

No. 333 Cyclone, Tin Tank, dozen.....\$3.40
Midget, dozen 2.30

BROWN'S AUTO SPRAY No. 3D-3F

This durable, solidly constructed wheelbarrow Sprayer is excellent for orchards, field crops, gardens and adequately handles spraying solutions, whitewash, etc. Tank is made of brass or galvanized, pump is all-brass, truck frame is heavy iron pipe. It is equipped with pressure gauge and pressure tank, which will carry 150 lbs. pressure. Capacity of reservoir 12 gallons.

DEALER'S PRICES

Auto-Spray No. 3D, each.....\$14.50
Auto-Spray No. 3F, each..... 26.25

BROWN'S WHIRLING SHOWERS

All working parts of this Lawn Sprinkler are of brass and will not rust or corrode; base is of malleable iron. Precision machined nozzles, can be adjusted to give any spray from a very fine mist to a drenching rain. Is equipped with ball bearings which allow shaft to rotate without wearing down bearing in base.

Barrett Roofings and Shingles

THE BEST MONEY CAN BUY

The Barrett Reputation Protects You

Back of the name Barrett is the experience gained during sixty-seven years' manufacture of quality roofings. The best possible product at the least possible cost has always been the Barrett policy, with the result that today Barrett Roofings are everywhere recognized as the standard of roofing value. The Barrett reputation for dependable roofing products offers sure protection to all roofing buyers. The name Barrett is the symbol of quality.

EVERLASTIC

An unusually good mineral-surfaced roofing weighing 85 to 90 lbs. per roll. Durable and lasting, it has a 2" selvage edge which provides easier application and tight laps. Highly fire-resistant. 36" wide. Underwriter's Label. Colors: Red, Green, Blue-Black.

Per roll \$1.80

VITEX

A mineral-surfaced roofing at a low price. This is a product that combines the desirable colors of mineral surfacings with a good, medium quality roofing. For steep roofed buildings, valleys, flashings, etc. 36" wide. Approximately 75 lbs. per roll. Colors: Red and Green.

Per roll \$1.60

EVERLASTIC

The highest quality smooth-surfaced roofing made. It costs the least per year of service. Nothing but the best grade of materials are used in Everlastic. Highly fire-resistant, recommended wherever high quality, long life and durability are desired. 36" wide. Underwriter's Label on both weights.

Heavy weight (approx. 60 lbs.).....per roll \$1.80

Medium weight (approx. 50 lbs.).....per roll 1.48

VITEX

Where first cost is an important factor, Vitex stands out as the logical choice. It gives good service at a medium price—for steep roofed buildings or valleys, flashings, etc. 36" wide. Heavy weight carries Underwriter's Label.

Heavy weight (approx. 55 lbs.).....per roll \$1.60

Medium weight (approx. 45 lbs.).....per roll 1.28

Light weight (approx. 35 lbs.).....per roll 1.00

TOMAHAWK

A low priced, competitive roofing representing a very good value. For roofing temporary buildings, sheds, outhouses and many miscellaneous uses such as sheathing tobacco barns, for floor covering, lining packing boxes, protecting cement bags, etc. 36" wide.

Heavy weight (approx. 55 lbs.).....per roll \$1.20

Medium weight (approx. 45 lbs.).....per roll 1.00

Light weight (approx. 35 lbs.).....per roll .80

SHEATHING, BUILDING PAPERS

WHY THE STANDARD TRACTOR

- 1st—It is a quality machine.
- 2nd—It has a $3\frac{1}{2}$ H.P. four-cycle engine.
- 3rd—It is entirely dirt-proof and automatically oiled.
- 4th—It has large wheels—giving it a high clearance and easy operation over the ground.
- 5th—It has an adjustable tread, that enables you to meet any particular row condition.
- 6th—It can be supplied with a wide axle to give a tread of any width.
- 7th—Its tools are adjustable in all directions.
- 8th—It has the Compound Action Double Draw Bar.
- 9th—It has an independent tool control.
- 10th—It is light, compact, sturdy.
- 11th—Its weight is located properly to give the full benefit in traction.
- 12th—It has an easily operated clutch and throttle speed control.
- 13th—It has a differential for easy steering.
- 14th—It has a low center of gravity.
- 15th—It can work fast or very slow.
- 16th—It is a machine, honestly and conscientiously built, and every inside, unseen part is just as carefully made and as thoroughly inspected as the most outstanding feature on the surface. The STANDARD is quality construction clean through.

GUARANTEE

The STANDARD GARDEN TRACTOR is unconditionally guaranteed for one year against any defect whatsoever in material or workmanship.

(Descriptive Catalogue mailed on application)

Pyrox

A PROFIT-MAKER FOR THE DEALER

Do not let the spraying season find you without Pyrox on display. As a contribution to the return of prosperity, the Bowker Chemical Company is planning to greatly increase its advertising. Be prepared to meet the demand.

Pyrox, like all quality products, brings repeat business. It is re-orders that bring in the profit, as every dealer knows. Selling an established, well-advertised product like Pyrox, which enjoys uniform prices throughout the United States, should result in a nice profit for you.

At least one, possibly three, of the main types of Pyrox will be needed to meet the demands of your trade:

Nicotine Pyrox

Nicotine Pyrox is the latest development of science in the spray field. It not only kills chewing insects, controls disease and stimulates growth as does regular Pyrox, but Nicotine Pyrox kills sucking insects such as plant lice. It is a complete spray.

If you have a farm trade, you will still want to stock regular Pyrox. Most farmers will still continue to use and call for this old, established spray material.

Place your order for Nicotine Pyrox today.

PRICES TO DEALERS:

12-40 oz.....	\$14.30	\$14.00	\$21.00
24-10 oz.....	8.04	7.80	12.00

Regular Pyrox

Regular Pyrox, packed in from 1-pound jars to 300-pound barrels, is a triple-duty spray in that it kills chewing bugs, controls blights and other diseases, and stimulates the growth of the plant.

Standard Prices on Pyrox Throughout the United States

TAYLOR BROTHERS WHOLESALE PRICE LIST

Bowker's Staple Insecticides

Bowker's powdered materials contain no cheap stickers or spreaders. You may wonder why this is so, believing that a spreader and sticker is necessary. But you never heard of a talcum powder manufacturer putting a spreader or sticker in his product, yet talcum powder spreads and sticks to perfection. No spreaders or stickers are used because of the fineness of the material which makes this unnecessary.

Seven Day Mash Feeders

With Agitator and Waste Pan

The Jamesway Agitating Self-Feeder prevents clogging. A valuable patented feature. Feeding perches are built like a teeter-totter. Every time a hen jumps upon them, the mash compartment joggles and down comes the feed. No other feeder is so equipped.

Can't Waste

Feed billed out by the hens in feeding and scattered to the floor is a dead loss. Hens will not eat it. But in Jamesway Self-Feeders, patented Feed Saver Pans catch mash before it is wasted.

5 Big Feeders in 1

The Jamesway Self-Feeder is really 5 big seven-day self-feeders in one. Big middle compartment holds week's supply of egg mash. Two smaller bins at each end hold enough grit, shell, charcoal, and scrap to last several weeks. Just one feeder to look after. Saves time, saves work. Keeps the feeds that make eggs before your hens constantly. Hens help themselves to what they need and want. There is nothing like this Jamesway Self-Feeder in size, practical egg-making, feed saving, lasting qualities. Built strong and sturdy to work a good many years for you. Made from heavy, galvanized steel sheets. Stands 16 inches off the floor; takes up no scratching room.

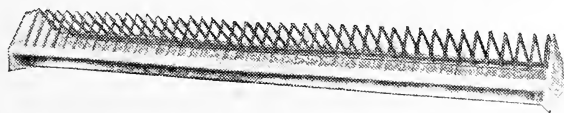

Patented tilting top skids hens off should they try to roost there.

50 lb. Feeder No. 527

Holds 50 pounds of dry egg mash—9 pounds scraps—15 pounds oyster shell—5 pounds charcoal—15 pounds grit. 36 inches long—16½ inches wide—38 inches high. Self-feeds 75 to 125 hens for one week without refilling. Retail, \$11.80. Wholesale, \$10.03.

100 lb. Feeder No. 528

Holds 100 pounds of dry egg mash—9 pounds scraps—15 pounds oyster shell—5 pounds charcoal—15 pounds grit. 60 inches long—16½ inches wide—38 inches high. Self-feeds 125 to 200 hens for one week without refilling. Retail, \$17.45. Whole, \$14.85.

No. 600C

Where feed is contaminated with drop-pings diseases quickly spread and chicks do not grow evenly. This clean feed trough keeps chicks out of the feed. Spacing between wire guards can be adjusted from seven-eighths to one and three-quarters inches. This trough is

useful not only for feeding young chicks but older ones as well. Made of galvanized heavy sheet steel 44 inches long—6½ inches wide. Can also be bought with a special feed saving guard. Priced very reasonably.

No. 600C—Wholesale \$1.65. Retail \$1.95.

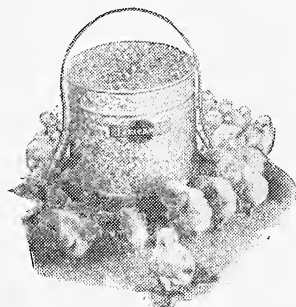

Something New

JAMESWAY AUTOMATIC CONTROLLED ELECTRIC BATTERY BROODER

With individual compartments to hold one hundred baby chicks. Developed under actual working conditions. Built for performance. Endorsed by Hatcherymen. Fourteen exclusive features and many superior improvements that put the JAMESWAY beyond comparison. Broiler front panel interchangeable with brooder front.

No. 507

SIX QUART CHICK WATERER

This is the waterer which has been such a success with poultry raisers. It is vacuum type. Cannot leak or flood the floor. It is easily filled and cleaned—can't tip over. Chicks can't get drowned. Only two parts, a pail and a heavy pan. Can be carried by bail without spilling when pan is on or off. Holds six quarts. Weighs four and one-half pounds. Thousands in use and every one is giving real satisfaction. At our low price, this is the biggest value ever offered in a small quality waterer. Can be shipped by parcel post. Shipping weight six pounds. Priced at \$1.05 Wholesale; \$1.25 Retail.

PRESSURE WATERER

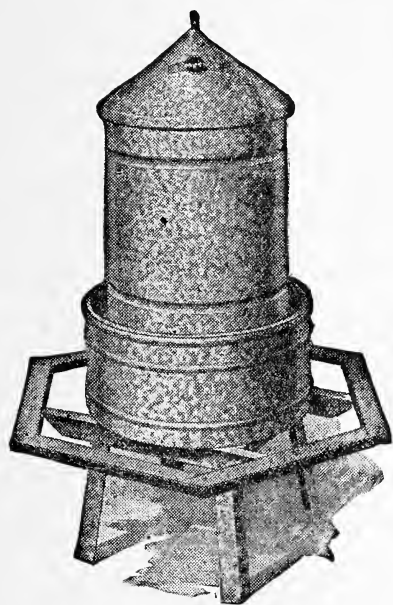

Poultrymen who have running water in their poultry houses will find this Automatic Pressure Waterer a great labor saver. Built large enough for 150 to 200 hens. Can't overflow. Copper float and brass valve keep the water at right level. Can be adjusted to any water pressure. Wire guards keep hens out of water. Guards tilt back for cleaning. Sets up off the floor on sturdy metal legs. The rust resisting copper bearing steel trough is 2 inches deep, 5 inches wide, and 35 inches long. Can be furnished with a kerosene lamp for the warming of water in winter. Electric socket connection optional.

	Wholesale	Retail
No. 536B Unheated	\$5.85	\$6.90

THE PLACE TO BUY POULTRY EQUIPMENT

8-Gallon Waterers

Flock Size—With Heat or Without

These big, flock size, 8-gallon waterers provide water for 150 hens one whole day without refilling. 15 to 20 hens can drink at the same time. Built of heavy rust resisting sheet steel. Wide drip pan keeps floor dry. A copper float opens and closes a non-rust brass valve and holds the water at exactly the right level in the drinking pan. Easily shut off for refilling.

Made in 4 Styles

(1) With a plain base and no heating arrangement, or (2) with a kerosene lamp in base for warming of water in winter.

CHICK FEEDER

This handy 9 hole, small brood feeder will take care of 25 chicks. Made of galvanized sheet steel—7½ inches across. Removable top. Edges on feeding holes are turned over and will not injure chicks. Can be used for grit, shell, etc. Shipped from factory in dozen lots only. Order several at \$1.20 per doz. Retail; \$1.02 Wholesale.

QUART SIZE SOUR MILK FEEDER

581

This sour milk feeder is fitted for a quart jar. Jar screws into top. Pan of aluminum with galvanized top for feeding sour milk or medicines. Shipped from factory in dozen lots only. Jar not included at \$3.55 per doz. Retail; \$3.02 Wholesale.

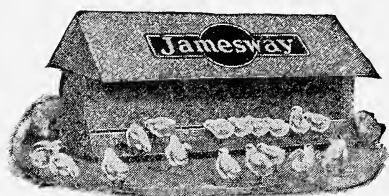

QUART WATERER

582

Exactly same as the above except has a galvanized pan and top, use as waterer or feeder. Top is removable, not necessary to unscrew jar for filling. Shipped from factory in dozen lots only. Order several at this low price of \$1.35 per doz. Retail; \$1.15 Wholesale.

BUNGALOW CHICK FEEDER

With Agitator-Waste Pans and Tilting Top

632B

Can't Clog

Dry chick mash can't clog in the Jamesway chick feeder. Chicks hopping upon the feeding platform joggle the mash compartment back and forth, which rattles the feed down into the troughs. Chicks can't go hungry.

Can't Waste

Feed Saver Pans catch all the feed chicks waste in eating. This exclusive feature will alone pay for the feeder in a season's use.

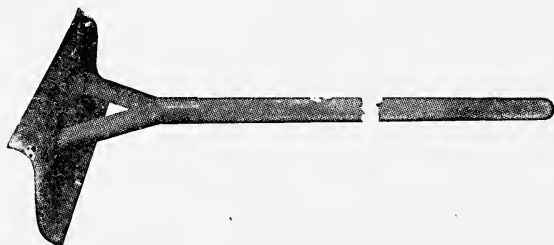

Keeps Feed Clean and Dry

Feeding chicks from this Jamesway always gives them clean dry feed and plenty of it. Supports keep the feed trough up off the ground. The broad bungalow type roof keeps the feed clean and dry. Guards prevent the chicks from getting into the trough and scratching around. Use the Jamesway and know that your chicks are getting clean dry feed.

Self-Feeds 200

This feeder is 3 feet long and 16 inches high. It holds about 50 pounds of dry chick mash, enough to self-feed upwards of 200 chicks for one week without refilling. Room along the sides permits 40 to 50 chicks to feed at one time. It saves feed. Keeps it clean and wholesome. Keeps it always before the chicks. Priced at \$6.38 Wholesale; \$7.50 Retail.

DROPPINGS BOARD SCRAPERS

Constructed to hug the droppings board and remove all the dirt. Can be pulled toward you or shoved away from you. Keen scraping edge. 18-inch blade. No. 540A—Price \$1.05 Wholesale; \$1.25 Retail.

GRIT BOX

3 compartments, 1 quart capacity each for grit, charcoal, and shell. Made of galvanized sheet steel. For 10 to 70 hens. No. 523—\$1.05 Wholesale; \$1.25 Retail.

FEED SCOOP

Made of galvanized sheet steel in 2 sizes.

	Wholesale	Retail

OPEN MASH FEEDER

For Wet and Dry Mash and Green Feed

For feeding dry or wet mash and green feeds. Wire guards save the mash. Hens cannot get into pan and waste feed. Guards tilt up for cleaning and filling the pan. The rust-resisting feed pan is made from heavy hot galvanized sheet steel, 10 inches wide, 5½ inches deep, and 60 inches long. Over all height 26 inches with sturdy metal legs. Takes up no scratching room. The Jamesway Open Mash Feeder holds about 50 pounds of dry mash keeping it always within easy

reach of the hens. It is an ideal trough for fattening pen. There is no other trough like it, for feed saving, cleanliness, or real satisfaction. No. 525A reasonably priced at \$4.90 Wholesale; \$5.75 Retail.

Duck Feeders

Without legs or perches above feeder placed on ground makes a handy duck feeder. Can be used for hens, too. No. 526A—\$3.61 Wholesale; \$4.25 Retail.
